Foreword

The world about us is constantly changing. If we are to succeed in life, we must learn to accept the challenges of these changes.

We, the COHIAN staff, hope we have kept up with the changes of this school year. It is with this in mind that we present to you, the 1971 COHIAN.

COLUMBIA HIC

Senior Dedication

And so

another year passes -

Once new images

grow old,

Seniors venture out

into tomorrow's world,

New ideas -

wait to be formed,

New dilemmas

wait to be solved -

The ever-present desire

for goals

to be obtained;

yet,

a yearning

deep inside

for old times,

old friends,

The Seniors are leaving

but their spirits

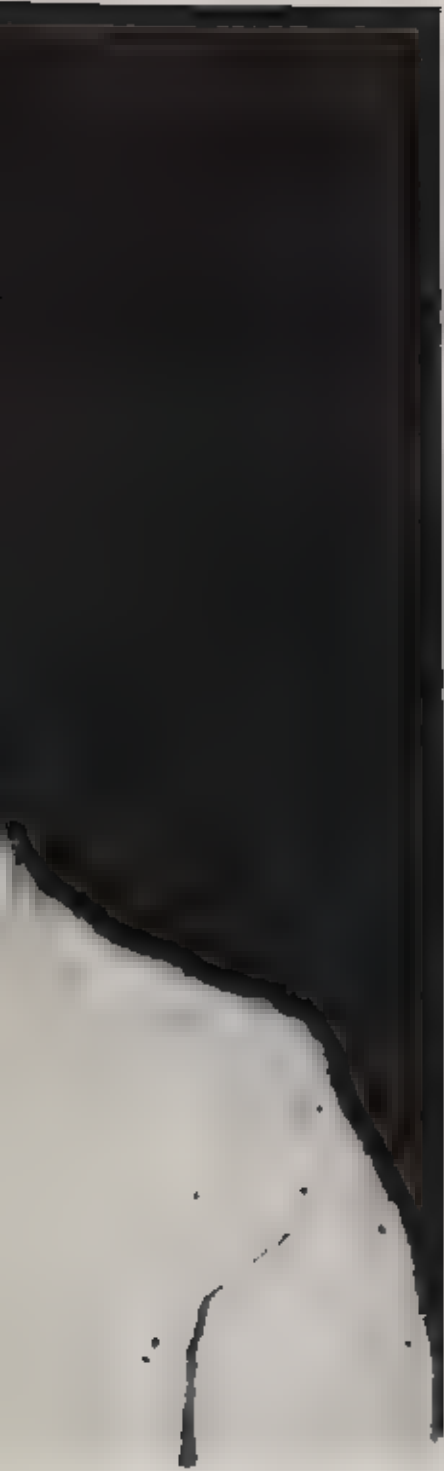

will always

remain.

Dedication

1974

For your enthusiastic leadership and guidance to the students of Columbia High School, we dedicate our 1971 COHLAN to you, Mrs. Judith Brewer.

What more could we give to you than what you have given to the students of Columbia High School, our Alma Mater.

To you, "Judy Brewer"
Our Promise now we give,
To honor and uphold you
So long as we may live.

You gave the gift of "music"
Our lives you built anew,
And though the years may change us,
We'll still remember you.

The Columbia High student body really had something to cheer for this season. The Cats had a successful year, winning 8 and losing only 2. The support was enthusiastic, and all of C.H.S. pulled for the mighty cats. We really think all the Wildcat coaches and players are the best, and we know next year they can reach the number 1 spot in the South Little Dixie Conference.

The CHS Cheerleaders are directed by Mrs. Sarah Buckley and head cheerleader, Sandra Height. They have worked hard this year to come up with new cheers, skits, and routines with the band. They have kept spirits high during the few times we were behind, and led our Wildcats on to victory!!!

In
Memory
of
Amy
Lytton

We linger here a little while,
And then are gone
Like ghostly dews that disappear,
When comes the dawn,
And like the flaming dawn that dies
Before the day,
Which fades, when darkness falls, we too
Soon pass away.

But since the dew returns to kiss
The trembling grass,
Since darkness comes and dawning makes
The shadows pass,
I laugh at Death, for when I go
From hill and glen,
I know that I shall leave this clay
To live again.
